COPYRIGHT STATEMENT

The copyright law of the United States - Title 17, United States Code - concerns the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or other reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copy order if, in its judgement, fulfillment of the order would involve violation of the copyright law.

Commercial Poultry Farms in Pennsylvania

C. G. JORDAN, Secretary of Agriculture
L. H. WIBLE, Director, Bureau of Statistics
E. L. GASTEIGER, Agricultural Statistician

PUBLISHED BY THE DIRECTION OF THE SECRETARY

Harrisburg, Pennsylvania

1929

LETTER OF TRANSMITTAL

Harrisburg, Pa., January 28, 1929

Dr. C. G. Jordan,
Secretary of Agriculture.

Dear Sir:

I submit herewith a list of the commercial poultry farms in Pennsylvania having 500 or more hens and pullets, which has been compiled from the returns made by the assessors in the State Triennial Farm Census of 1927.

This list contains over 2,400 farms, with hens and pullets of laying age numbering 1,868,000. As the chicken industry in Pennsylvania is becoming more specialized each year, it is our thought that the publication of this list will be of material benefit to both poultrymen and hatcherymen and of interest to the general public.

Therefore, it is my suggestion that the same be printed as a bulletin of the Department.

Respectfully,

L. H. WIBLE,

Director, Bureau of Statistics
